ChicRoom Properties is proposing you a completely refurbished furnished 2-bedroom flat for rent in Barcelona centre. Its new style and its ideal central location will make you love it straight away.

Every room in the apartment has benefited from the refurbishment while keeping the original authentic aspect and top-quality furniture now decorates them. The entrance hall of the building has recently been renovated and has kept its modernist style. The ceiling has conserved the typical Catalan vaults. The floor is now covered with a brand-new parquet floor with light brown tones. The bathrooms have fine marble tiles covering the floor and the floor. The window frames have been changed and have double glazing to isolate from the noise.

The main living area of the apartment consists of a large living room with a comfortable L-shaped sofa which colour matches with the brownish tones of the property. There is a new table with four chairs located in the dining corner of the room. There is a direct to small balcony with views over Consell de Cent Street.

The apartment has two bedrooms of different sizes. The main bedroom is situated next to the living room and is separated by two wooden doors. It contains a large double bed that leans against a plaster bed head with a wooden blank that sat atop of it. For storing the belongings and clothes, there is a wide built-in wardrobe. It also has a small private balcony which looks out on the same street as in the living room.

The other bedroom is a small room next to the entrance door and comes unfurnished. It could be used as a guest room or as an office.

The kitchen is fully equipped with high-end household appliances and a lot of storage
