ChicRoom Properties has this exceptional opportunity of a 3 bedroom apartment for sale with tourist licence in Eixample, very close to Rambla de Catalunya and in one of the most exclusive parts of Barcelona. When you'll see this 185-m2 property you'll think of space, brightness, elegance and comfort. All rooms are connected harmoniously and a lot of natural light invades every part thanks to wide windows and glass walls. It consists of a huge living room connected to a conservatory with a beautiful parquet floor. From there, there's a direct access to a large 100-m2 patio partly protected and covered with a wooden floor in some parts, and which also has a kitchen area in the back. This makes this space the ideal spot almost all year long for organising gatherings and sunbathing in the beautiful Spanish weather. You could find three double bedrooms, one of them with an ensuite bathroom and a small conservatory with direct access to the patio. There are also two other complete bathrooms with shower, WC and sink opposite the bedrooms for more convenience, which are decorated with stylish white tiles. Also, the open-space kitchen comes with several compartments and some top-quality appliances, and its design style with wood and metal makes it another special area of the dwelling. Finally, one of the best features of this apartment is the tourist licence, which is highly valuable at the moment.
