

3-bedroom apartment for rent near beach Barcelona

Apart from Gaudi's architecture, the seaside is what makes Barcelona a great city to live in and attracts millions of people every year. To have the chance to enjoy it every day we propose you this 3-bedroom apartment for rent near beach Barcelona in the neighbourhood of Diagonal Mar.

Not only you could almost tip your toes into the sand from your doorstep but you will have fantastic views of the Mediterranean Sea from the balcony. Your morning coffee will have a totally sweeter flavour with this panorama.

The spacious living room is connected to it by a glass window from which it gains a lot of sunlight. This room comes with two sofas facing a flat-screen TV and is attached to the dining room and the kitchen. The former has a glass table for four people. The latter contains brand-new top-quality household appliances, several storage cabinets for food and utensils and a kitchen island in the middle for cooking and enjoying any meal.

The 90-m2 property would perfectly suit a family due to the number of bedrooms. It has two bedrooms with large double beds and one with two single beds. For maximising space and the storage of the belongings they have built-in wardrobes.

For more convenience the occupants can count on two complete bathrooms. Both have a bathtub with shower, a WC, a bidet and a sink.

The neighbourhood of Diagonal Mar is one of the most exclusive and demanded ones in matter of premium accommodation. As it is isolated from the bustling city centre, yet very well connected to rest of the city, its residents are pleased with the peaceful atmosphere that prevails there. The fresh air of the open sea combined with a nice walk along the promenade would be the right therapy to relax after a stressful day at work. And during the hot day, the nearby beach would be the perfect spot.
