

3-bedroom apartment for rent in Poble Nou in Barcelona

My family and I spent fantastic moments in this 3-bedroom apartment for rent in Poble Nou in Barcelona and we will miss it greatly. Not only had we immediately fallen in love with the character of this property but also with the neighbourhood and its excellent location.

When my partner, my children and I entered the flat for the first time we instantly knew it would be a special place for us.

The main living area welcomed us with an outstanding homey atmosphere due to the flooding natural lights combined with the excellent interior design and furniture. We loved the fact that the original Catalan vault with exposed beams and brick ceiling has been maintained. It gives a genuine local identity and charm to the dwelling. We spent truly memorable moments with family and friends in there.

The kitchen is next door and comes fully equipped with premium appliances and several cabinets. Cooking there was a real pleasure!

What we appreciated a lot was the bedrooms being on the other side of the apartment. This enabled us to sleep in total peace without hearing any possible noise from the street. Also, everybody was satisfied with the size of the bedrooms. As my partner and I had the master bedroom, we could enjoy a large double bed, two massive built-in wardrobes and the luxury of an en-suite bathroom. The latter has a WC, a shower cabin and a sink.

Our two children had their own individual space with a single bed in which all their belongings could fit and their privacy was kept to the maximum.

They shared the second bathroom, which was similar to ours.

The apartment is located in a very quiet part of the district of Poble Nou. You could barely

hear any noise even though it is very close to lively Rambla del Poblenou. Every shops and businesses you need for your every day life is at a short distance reach. Our favourite bars and restaurants we almost on our doorsteps and various shops and market are in the vicinity for the groceries. The best of living in this area was we could walk to the beach in only 10 minutes! I was personally fond of going for a run after a long day at work as it would help clear my mind from stress.

As we are moving away again it will remain free very soon and we hope the next tenants will cherish this apartment for rent in Poblenou as much as we did.
