All the rooms of the penthouse fully benefit from natural light for the most part of the day thanks to the large windows and the geographical position of the apartment. From this ample terrace you can appreciate the beautiful view of the city and enjoy the warm and pleasant air of the summer nights. The apartment also features two double bedrooms with an en-suite bathroom, and a fully equipped kitchen with top-quality appliances such as an oven, a washing machine, a fridge as well as gas hobs.
