

Loft for rent poblenou

Would you like to settle in the Catalan capital? ChicRoom Properties offers you this beautiful **loft for rent in Poblenou**. Ideally located in an alternative neighbourhood of Barcelona, just a stone's throw from the beach and the shops, it is also close to public transports that can take you from one end of the city to the other.

This unfurnished loft is in a brick building with an industrial style. One enters at first in the living area which regroups living room and kitchen. On the floor, as in the rest of the apartment, a beautiful parquet gives the room a warm look. At the end of the living room, you will find the kitchen, equipped with all the appliances you will need: refrigerator, ceramic hob, dishwasher, washing machine, and microwave.

To access the other rooms, you have to follow a staircase that also follows the industrial style of the apartment. There are two bedrooms in the apartment as well as two modern bathrooms. In the bathroom, you will find a shower, a washbasin, and a toilet. The tiled floor and furnishings give the bathroom a chic and design atmosphere.

The style of the apartment as a whole is a mix of chic, industrial and modern. It is quite bright overall, large windows allow daylight to pass. The ceilings are quite high making it all the more spacious. We alternate between the brick wall and simpler white walls, this gives a nice contrast to the apartment. The property is accessed by a small courtyard allowing it to be quiet.

Indeed, the apartment enjoys an ideal location: close to the beach, the centre, transport ... what more? In full rehabilitation, this district mixes the old and the modern. Many old industrial buildings are renovated into dwellings or offices.

This neighbourhood is perfectly located: not too close or too far from the city centre: access to metro, buses ... or walk through the seafront promenade or the streets. The
