

Unfurnished 3-bedroom apartment for rent terrace sarria barcelona

What could be more pleasant to live in this unfurnished 3-bedroom apartment for rent with terrace in Sarria in Barcelona? Wait for visiting this amazing property located in a high-standard neighbourhood of the Catalan capital to answer this question.

One big advantage of this apartment is that it comes with no furniture; therefore you could let your imagination take over to picture how you would make it the perfect dwelling according to your exquisite taste. The living area is a massive space where you could set up a cosy living room and the dining room where you could invite family and friends for special moments. The kitchen is a semi-opened space situated next to it where you could express your talented cooking skills. It has some high-quality appliances and many wide storage cabinets. One of the bedrooms is right next to it and has views over the neighbourhood. The master double bedroom is on the other side of the apartment. It offers a huge space for storing a lot of furniture and belongings. Before entering, you will walk past a dressing room and a complete en-suite bathroom with WC, shower and sink. There is another similar bathroom next to the living space for the rest of the occupants and guests. From almost anywhere in the apartment, you could access a huge terrace beautifully decorated with wood. Finally, the last bedroom is in the corridor by the entrance door.

Welcome to the district of Sarria, which is one of the most high-standing of Barcelona. It is well-connected with the rest of the city by buses, trains and metros. The building is surrounded by various restaurants, bars, grocery shops and many other local businesses. Lots of green areas such as parks and gardens are easily reachable within a short walking distance. For soothing your shopping crave, head towards Diagonal Avenue to find its numerous boutiques, shops and the Illa shopping centre.

Surely now you could partially answer the previous question. And to make sure you have
