

2-bedroom apartment for rent in Diagonal Mar in Barcelona

I have always dreamt of living by the seaside and the beach in a vibrant city in Spain. One day my wish was entirely fulfilled when I moved to this superb 2-bedroom apartment for rent in Diagonal Mar in Barcelona! It is a place I could really call home from day one.

I felt so much at ease and cosy with all the space that apartment offered me. The living room had everything I needed for that. I could watch my favourite programmes and films on the flat-screen TV while relaxing on the sofa. I could also enjoy reading while enjoying the bright sun flooding the room the whole day and feel the rays warming my skin through the large windows. During the hot days, I would just open them wide and let the fresh air from the sea invade the space. One big plus is the balcony that extends the area of the property. I would savour any meal there whenever I could and enjoy the impressive views at the same time.

The neighbourhood is very quiet and the nights are very peaceful. Sleeping deeply in my double bedroom was never a problem. I felt that my privacy was truly kept and I could build my private world in it.

This apartment is also great for welcoming people over. There is enough room for a dinner inside and outside, and thanks to the fully equipped kitchen I easily impressed my guests like a chef. Whenever someone had to stay over, there was the second bedroom to spend some nights over. When empty, I would use it as an office and for my personal documents.

I am a very sporty person and living in this exclusive complex helped me keep fit. I would spend almost every day in the communal gym, strolling in the green areas or swimming in the pool. The best was I could walk to the beach! You have no idea how privileged you feel when you can do whenever you feel like. As for shopping, the neighbourhood has several grocery shops and the Diagonal Mar shopping centre. The city centre of Barcelona is very
