

## Stylish 2-bedroom apartment for rent in Gothic Quarter Barcelona

All our properties have a je-ne-sais-quoi that makes us select them for our list. But this stylish 2-bedroom apartment for rent in Gothic Quarter Barcelona has very particular interior design that made us have a crush on it.

The blend of new and original elements brings a special character to the property. The floor is paved with authentic hydraulic tiles typical from Catalonia that has been kept in a perfect state. The high ceilings still have the exposed beams with bricks and provide a sensation of space and allow more light to flood the rooms.

The whole apartment is furnished with trendy vintage furniture of exquisite style that perfectly matches with the atmosphere of the property.

The living area - with the living room and the dining room - is an invitation to relax in a sumptuous room of outstanding beauty. The contrast of the marble tables and the soft and comfortable velvet seats and sofas provide a great balance of materials and harmony in styles. The artwork and various decorative items embellish the space

Metal sliding doors separate on two sides the first double bedroom from this room as well as the kitchen.

The latter comes fully equipped with top-quality household appliances. Its design allows maximising space and follows the same pattern of the apartment with the marble on the walls and working surfaces, the wooden doors of the storage cabinets and the golden tap.

The second bedroom is more isolated and is more spacious, and gains a lot of natural light. There is a mini mezzanine above useful for storing belongings.

Right opposite Barcelona harbour and near the famous Soho House club, the apartment
